

REMARKS

Entry of the foregoing and favorable reconsideration of the subject application in light of the following remarks, pursuant to and consistent with 37 C.F.R. § 1.112, are respectfully requested.

Summary of Amendments

By the foregoing amendments, the Specification has been amended to include a cross-reference to the parent application. The Specification has also been amended to conform with required changes in original Figures 1-7. Specifically, Figures 2-4 have been re-sized as requested by the Draftsman in Paper No. 7 of the parent application. As such, what had been Figure 2 is now Figures 2A-2D; Figure 3 is now Figures 3A-3D; and Figure 4 is now Figures 4A-4B. Figures 5-7 have been replaced with full tone photographs on photographic sheets, as requested by the Draftsman in the parent application. No new matter has been added.

Also by the foregoing amendments, Claims 1-38 have been canceled and Claims 39-42 have been added. Claims 39-42 were presented in the parent application (*See* Claims 69-72 of the Supplemental Amendment and Reply filed November 12, 2002), but canceled without prejudice prior to allowance of the parent application. Support for Claims 39-42 may be found throughout the Specification, especially at Page 5, Line 4 through Page 12, Line 7, of the Specification. Accordingly, no new mater has been added.

CONCLUSION

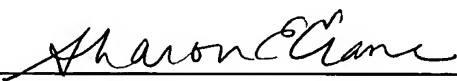

From the foregoing, further and favorable consideration in the form of a Notice of Allowance is respectfully requested and earnestly solicited.

In the event that there are any questions relating to this response, or the application in general, it would be greatly appreciated if the Examiner would telephone the undersigned attorney concerning such questions so that prosecution of this application may be expedited.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
